

## **Animal Welfare Publications, Division of Veterinary Medicine, TNPRC**

Zhao G, Droit L, Gilbert MH, Schiro FR, Didier PJ, Si X, Paredes A, Handley SA, Virgin HW, Bohm RP, Wang D. Virome biogeography in the lower gastrointestinal tract of rhesus macaques with chronic diarrhea. *Virology*, 527, 77-88. 2019.

Taylor JM, Clarke EL, Baker K, Lauder A, Kim D, Bailey A, Wu GD, Collman RG, Doyle-Meyers L, Russell-Lodrigue K, Blanchard J, Bushman FD, Bohm R. Evaluation of a therapy for Idiopathic Chronic Enterocolitis in rhesus macaques (*Macaca mulatta*) and linked microbial community correlates. *PeerJ*, 6. 2018.

Yee JL, Vanderford TH, Didier ES, Gray S, Lewis A, Roberts J, Taylor K, Bohm RP. Specific pathogen free macaque colonies: a review of principles and recent advances for viral testing and colony management. *Journal of Medical Primatology*, 45(2), 55-78. 2016.

Gaither AM, Baker KC, Gilbert MH, Blanchard JL, Liu DX, Luchins KR, Bohm RP. Videotaped behavior as a predictor of clinical outcome in rhesus macaques (*Macaca mulatta*). *American Association for Laboratory Animal Science*, 64(3) 193-9. 2014.

Dufour JP, Phillippi-Falkenstein K, Bohm RP, Veazey RS, Carnal J. Excision of femoral head and neck for treatment of coxofemoral degenerative joint disease in a rhesus macaque (*Macaca mulatta*). *American Association for Laboratory Animal Science* 62(6), 539-42. 2012.

Kempf DJ, Baker KC, Gilbert MH, Blanchard JL, Dean RL, Deaver DR, Bohm RP Jr. Effects of extended-release injectable naltrexone on self-injurious behavior in rhesus macaques (*Macaca mulatta*). *Comparative Medicine*, 62(3):209-17. 2012.

Luchins KR, Baker KC, Gilbert MH, Blanchard JL, Liu DX, Myers L, Bohm RP. Application of the diagnostic evaluation for alopecia in traditional veterinary species to laboratory rhesus macaques (*Macaca mulatta*). *Journal of American Association of Laboratory Animal Science*, 50(6):926-38. 2011.

Luchins KR, Baker KC, Gilbert MH, Blanchard JL, Bohm RP. Manzanita wood: a sanitizable enrichment option for nonhuman primates. *Journal of the American Association for Laboratory Animal Science*, 50(6):884-7. 2011.

Gilbert MH, Baker KC. Social buffering in adult male rhesus macaques (*Macaca mulatta*): Effects of stressful events in single vs. pair housing. *Journal of Medical Primatology*, 40(2):71-8. 2011.

Dufour JP, Cogswell FB, Phillippi-Falkenstein KM, Bohm RP. Comparison of efficacy of moxidectin and ivermectin in the treatment of *Strongyloides fulleborni* infection in rhesus macaques. *Journal of Medical Primatology*, 35(3):172-6. 2006.

Sestak K, Merritt CK, Borda J, Saylor E, Schwamberger SR, Cogswell F, Didier ES, Didier PJ, Plauche G, Bohm RP, Aye PP, Alexa P, Ward RL, Lackner AA. Infectious agent and immune response characteristics of chronic enterocolitis in captive rhesus macaques. *Infectious Immunology*, 71(7):4079-86. 2003.

Bohm RP Jr, Rockar RA, Ratterree MS, Blanchard JL, Harouse J, Gettie A, Cheng-Mayer C. A method of video-assisted thoracoscopic surgery for collection of thymic biopsies in rhesus monkeys (*Macaca mulatta*). *Contemporary Topics in Laboratory Animal Science*, 39(6):24-6. 2000.

Bauer, S.A., Baker, K.C. Persistent effects of peer rearing on abnormal and species-appropriate activities but not social behavior in group-housed rhesus macaques. *Comparative Medicine* 66:129-136. 2016.

Baker, K.C., Bloomsmith, M.A., Oettinger, B., Neu, K., Griffis, C., Schoof, V., Maloney, M. Benefits of pair housing are consistent across a diverse population of rhesus macaques. *Applied Animal Behaviour Science* 137:148-156. 2012.

Baker, K., Bloomsmith, M., Neu, K., Griffis, C., Maloney, M. Positive reinforcement training as enrichment for singly-housed rhesus macaques. *Animal Welfare* 19: 307-313. 2010.

Springer D.A., Baker, K.C. Effects of ketamine anesthesia on daily food intake in *Macaca mulatta* and *Cercopithecus aethiops*. *American Journal of Primatology* 69:1080-92. 2007.

Doyle, L.A., Baker, K.C., Cox, L.D. Physiological and behavioral effects of social introduction on adult male rhesus macaques. *American Journal of Primatology* 70: 542-550. 2008.
